

Tuition for the 2021-2022 school year is \$8,725.00. Tuition can be paid in full or in installments, on a monthly schedule.

Tuition assistance is available for qualifying families. Mizel JCDS has contracted with the FAST (Financial Aid for School Tuition) group to process scholarship applications. You can access the application for tuition assistance at:

<https://ismfast.com/FastPage.php?id=bcbe1ba85d4b361a0fdd745fbd06318b>

FAST provides the school with a need-based financial aid analysis service which includes a recommendation of what a family should reasonably contribute toward tuition. All information from FAST is kept confidential. Results will be reviewed by the Mizel JCDS Scholarship Committee, with recommendations to the Executive Director. Based upon the school budget and approval of the Committee, tuition assistance offers will be sent to the families.

The application is self-guided and the user can navigate in and out of the program, allowing partial completion and the ability to return to complete the application. FAST has a 24/7/365 helpline: 1-877-326-FAST (3278). All questions about the application need to go to FAST, not the school.

FAST has a \$45.00 charge for applying. FAST accepts Visa, MasterCard, Discover or American Express. If you do not have a credit card, contact the Mizel JCDS Executive Director at 918-494-0953.

Once the application is completed, you will be required to upload your 2019 or 2020 IRS documents (Federal taxes including all schedules, state taxes and W-2's). You may also mail those documents to:

Independent School Management  
Attn: FAST Processing Center
